INSTALLATION	DIGITAL MEDIA	TEXTILES	STENCILWORK

- GCSE Art and Design students will be exposed to contemporary Art practice and Photography and taught to identify its links with the Art of the past.
- Students will ideally be visual curious and have an interest in expressing their own ideas via research into the work of others.
- Students as part of their studies, will need to demonstrate initiative and have the ability to work independently at times; building on teacher led workshops.
- Students are expected to develop a strong relationship with their sketchbooks and produce a portfolio of work that shows their creative journey and ideas.
- Students are taught to use specialist visual language and develop their critical skills to enable them to discuss their own work and the work of others.

BELOW IS THE STRUCTURE OF WHAT WE DELIVER AS COURSEWORK, WORTH 60% OF THE OVERALL GRADE ; CARRIED OUT FROM SEPT YEAR 10 – JANUARY YEAR 11. EACH PROJECT BEGINS WITH TEACHER LED WORKSHOPS BEFORE STUDENTS EXPLORE THEIR OWN IDEAS ON THE THEMES PROVIDED.

PERSHORE ART JOURNEY

MAP INSPIRED BY ALFRED BARR'S CUBISM AND ABSTRACT ART TIMELINE 1936

Where does the road ahead lead for Art students?

A GCSE in Art and Design provides a spring board to a wide range of possible courses and career paths. Most students go on to do A'Level in Fine Art or Photography, then a Foundation course for one year to build further specialist knowledge to gain places on competitive degree courses .

Occupations where an Art and Design related qualification would be useful:

- Professional Artist
- Photo-Journalist
- Architect
- Interior and exterior design
- Ceramicist
- Advertiser
- Art Therapist
- Graphic Designer
- Fashion Designer
- Fashion Stylist
- Illustrator
- Set Designer
- Costume Designer
- Film maker
- Animator
- Gallery work
- Curatorial work
- Urban regeneration work
- Picture editing and journalism
- Education work etc.

PERSHORE HIGH SCHOOL ART & DESIGN GCSE

DO NOT JUST STAND THERE, GET CREATIVE WITH US!!

The study of Art & Design is essential in raising student's self awareness, their sense of cultural identity and in promoting the mobility of ideas and feelings. It is a subject that celebrates their mistakes and has the ability to enrich, challenge and inspire them to make things happen for themselves.

Coursework 60% / Exam Unit 40% :

The exam unit is approximately a 12 week project that culminates in a 10 hour practical final piece.
